what Do You Know.

(Washington Times.)

Here are some questions about things you've seen every day and all your life. If you are a wonder, you may possibly answer one or two of the queries off-hand. Otherwise not.

What are the exact words on a 2-cent stamp, and in which direction is the face on it turned?

In which direction is the face turned on a cent? On a quarter? On a dime? How many toes has a cat on each fore foot? On each hind foot? Which way does the crescent moon turn? To the right or left?

What color are your employer's eyes? The eyes of the man at the next desk?
